Dr. R. D. Dourres—how siz: I enclose you the procee is of another Brodred bottles of your laminest, and wis you to send me another supply immediately. In this section of Keutneky your laminous stands pre-surious for the many virtues it possesses—more, really, than you claim for it. To my daw knowledge, it has been entimently surreased for it he ramplete cure of piles. Many cases, that have defield the ramplete cure of piles. Many cases, that have defield flower remedia for years, have been control perfectly by a few applications of your laminent.

Very respectfully, yours,

J. H. JUPIN, M. D. and Druggist. Southern Hank; Bank of Nasleville.

The other Free Bank, excepting the Enchange Bank, have made no report to use, and we can make no statement at present respecting their condition. The Committee are unable to give any information concerning the Evoluting Bonk, further than to say that if said bank has any bonds or deposit at present we have been unable to indit them. We find that the present Comptroller, d. F. Dondap, received from the former Comyraller misely-three bonds for \$1,000 each, which were on deposit by said bank, which bonds have since been withdrawn by the bank sucrendering and having burned her notes to that amount. We also lind, upon counting the bonds now on deposit by the several Free Banks, that now

Perhaps about one-third of the members are aux ious to prolong the session of Congress beyond the third of June; and at present there appears to be members of their of their members have gone home already, not to return during this session.

A very large amount of business must necessarily be overslaughed; private hills especially. The claimants are to be pitied, for there is but littly justice accorded to them. A claim before Congress is worse than a suit in chansery.

The Select Committee of the House on the subject of the Pacific Bailroad have not yet reported. No matter if they do not make up their jodgment, as no report can be acted upon now. The convenient
